

Grand Knight's report:

We are right in the heart of our busiest time of the year with amphitheater events, the softball tournament in Liberty , and Jesse James Festival. If you have not already done so, please contact Chad Coffelt (903-4736) or Mark Yehle (903-1944) about helping at the Jesse James Festival.

There is so much work to be done for the Festival and we really need “all hands on deck” to get the staffing needs met. I want to thank you all again for what you do to make this organization one of the most, if not the most, charitable groups in Kearney.

In the past 60 days, we have made charitable donations to help fund mission trips to be made by our youth group, needy families, Benedictine Sisters, disabled military veterans families, and retirement funding for Father John. This is just a small section of the good causes our hard work supports throughout the year so please keep on helping. We are making the world a better place.

As always, we need more members so please look around in church and help recruit candidates. This is the lifeblood of our organization and without new members, our good works cannot continue. Hope to see you all at Jesse James Festival.

God Bless

NEWS FROM CHUCK'S CORNER

As a youngster many years ago, I can remember my mother saying, "The older you get, the faster time seems to fly by" and I now realize how right she was! I look at the calendar and note that it is nearly the end of August, that the summer months have past, the preparation for the Jesse James Festival are in full swing, and the kids are back in school.

I believe most of our membership is aware that we have agreed to work for the City of Liberty Parks Department dispensing beverages for a 96 Team ASA Softball Tournament. I am asking again that if you are available to work on this project to please contact Larry Pratt, Dave Hinck, or myself. We are still in need of help and will find a spot for you.

I want to thank everyone for the help at the annual meeting of Platte Clay Electric. Everyone who said they would work was there and we even had one member, Jim Wilson, show up just in case we were short handed. All went well that day and even the weather cooperated. Thanks again.

Finally, as has been my habit with each news letter, I remind everyone we meet on the 1st and 3rd Sundays of each month. Attendance at meeting is always encouraged and appreciated. Try to attend our next meeting.

"Dear children! With great joy, also today, I desire to call you anew: pray, pray, pray. May this time be a time of personal prayer for you. During the day, find a place where you will pray joyfully in a recollected way. I love you and bless you all. Thank you for having responded to my call."

The Word of God as Sign of Social Development

General: That in less developed parts of the world the proclamation of the Word of God may renew people's hearts, encouraging them to work actively toward authentic social progress.

The End of War
